## Town of Tuxedo Requirements for Orange & Rockland Approvals

- Contact O & R for a non-residential application
- A job number will be assigned after the application has been received and approved
- Fill out a minor building permit with the Town of Tuxedo for electrical work (inspections cannot be conducted without a job number)
- Contact an electrical inspection from the approved Tuxedo list
- Have the work done & contact the chosen electrical inspector when inspections are due
- Upon completion and approval by the inspector, he will send O & R a certificate of completion and approval
- O & R will then schedule a time to reinspect the work and turn on the electric
